LETTER OF CONFIRMATION

Date: 27.07.2026

To Whom It May Concern,

I, Tamal Bhattacharyya am a para/community leader in Belegghata, Kolkata. I am writing to formally confirm Krithav Agrawal's involvement in organizing and conducting a local football tournament for young players in our community.

Krithav approached me with the idea of organizing a football tournament for children from the local community, to encourage young players to participate in a planned sports event, develop their football skills, and engage in healthy competition. He worked with me alongside other community members from the planning stage through to the completion of the tournament.

Krithav made both a financial and personal contribution to the event. He provided financial support that was used to purchase football equipment and additional materials required for the tournament. Moreover, he dedicated his time and effort to organizing and hosting the event.

His responsibilities included coordinating with participating teams, assisting with venue arrangements, supervising activities, and checking that the tournament proceeded smoothly. He also conducted matches and served as a referee, ensuring that the games were conducted fairly and according to the agreed rules.

Throughout the event, Krithav interacted directly with the players and encouraged them to partake enthusiastically. He was respectful towards all the participants and created a positive, supportive environment.

The tournament involved approximately 10 teams, with around 8–10 players per team, bringing together more than 80 young football players from the local community. It was held on **25.07.2026 & 26.07.2026**.

I confirm that Krithav made a genuine and meaningful contribution to the organization and conduct of the tournament. His involvement included financial sponsorship, event coordination, supervision of activities, interaction with participating players, and officiating the matches as a referee.

This letter is issued to formally verify Krithav Agrawal's role in organizing, sponsoring, and conducting the local football tournament.

Sincerely,
